# Welcome to Kids Club: Summer 2021

At Siblings & Company, we provide a program filled with activities and field trips that will keep your child engaged and active! We welcome the challenge of designing and implementing a program that will be of interest to the children, exciting for them, and help them remain strong in mind and body throughout the summer months.

## Summer Attendance

1. Each full week has a theme/focus that allows the teachers to work their magic on projects, activities, and excursions.
2. We know summer can be busy as your child gets older so we provide the option for your child to attend every week during the summer OR they can have up to 2 weeks off with no tuition and no attendance. These weeks do need to be predetermined.

## Shirts

We will wear color coordinated shirts the day of trips. The price of the shirt is included in the field trip package so you don't have to worry about a separate payment.

## Lunches

Park days will be optional "pack your own lunch" days. Children will have the choice to bring their own lunchbox that day. We will provide a packed lunch if not. **Allergies**

## Items from Home

Once a week (days will be determined) the children can bring in an item from home. This item will be their own responsibility and an appropriate size. No electronics will be allowed.

## Expected Behavior

A large component of our program is venturing out into the community and exploring areas around us as a class. We have found in order to do that successfully; the children should be able to demonstrate appropriate behavior in and out of the classroom. If a child is struggling with meeting these expectations on a consistent basis, we will discuss them not attending the field trips for that week as well as the opportunity for bringing in an item from home on special days. If we decide a child is not able to attend a trip, alternate care must be found during that trip.

## **Phones and Watches**

We ask that any personal devices such as phones or smart watches are left at home.

## **Tuition and Field Trip Costs**

1. Prices for tuition and trips are listed on the next page with the field trip cost associated with your package.
2. The Field Trip Package is a one-time charge and it will cover all of the trips for the whole summer including weekly excursions, pool days, transportation expenses and additional staff for safety at water activities. If a trip is canceled due to weather, it will be rescheduled if possible or an alternate trip will take its place. If your child is unable to attend the trip for any reason, the package price does remain the same. If a child is not attending due to behavior, refund can be discussed.
3. There are 2 payment options for the Field Trip Package:  
  
One-time payment of the full Field Trip Package due on Friday, May 28<sup>th</sup> OR  
Divide package in half for 2 installments due May 28<sup>th</sup> and June 18.
4. Field Trip payments must be check or cash. No venmo for this.
5. You can participate in a fundraiser through TJ's pizza as an option to help with field trip costs. You'll find details in this packet.

## **TJ's Pizza Fundraiser**

**Fundraiser Dates: April 26-May 7**

**Delivery Date is SATURDAY, May 22  
at the Germantown Center at 10:00**

**IMPORTANT:  
If you choose to  
participate, pick up is  
at the Germantown  
Center on a Saturday!**

We have so many great adventures lined up for this summer, but we know they add up financially! In order to help with this, we provide the opportunity to participate in a fundraiser where the profit will go towards trip expenses.

The fundraiser is OPTIONAL and all profit from your individual sales will be put towards your child's summer trip expenses. Again, this is an individual fundraiser, not class wide. If you choose to participate, you must pick your order on the date and time listed above.

**Your child will receive 40% of their total sales and it will be deducted from their field trip amount. If you raise more money than needed for your trip expenses, it will go towards a special snack on field trips.**

### **Pick up Info**

On Saturday, May 22, TJ's will deliver the orders to the Germantown Center at 10:00. Your order will be boxed and ready to go. Prompt pick up will be ideal to keep the pizzas cold. We will make copies of your original order sheet so you know what who ordered from you.

We will ask that you confirm your order is right before you leave

### **NOTE for sellers**

All money must be collected at time of order.

Checks must be made to Siblings and Company and then we will write a total check to TJ's.

## *Frequently Asked Questions*

### **Is it possible to volunteer for a trip?**

Usually, volunteering is welcome and encouraged. With close contact quarantines still in play, we will have to take this trip by trip.

### **If my child does not attend the field trip when they were supposed to, do I still have to pay for that trip?**

The field trip packages are all inclusive and if your child misses a trip because of illness or absence, the same rates will apply. If a child is asked to not participate because of behavior in the classroom, payments will be discussed as some are due beforehand.

### **If my child wishes to not participate in a field trip and wants to stay behind, what will happen?**

Your child can attend the class before or after the trip but alternate arrangements must be made while the class is on the trip.

### **What happens if I leave for the summer but would like to return once school resumes?**

Your child will be put at the top of the waiting list if there is room after the summer months. Unfortunately, the enrollment spot cannot be held for the next school year if the child does not attend throughout the summer.

### **What do the field trip packages include?**

The packages include all trip admission fees, extra staffing per DCFS guidelines, swim day admission and transportation fees.

### **Depending on the school district, the first and last week of the summer program may include school days. How will tuition be applied those weeks?**

The last and first week of school usually are not full weeks. You will be charged as a regular "school year" week with the additional charges added if your child is present on the days before school is back in session. However, we will go with the cheaper option for families.

### **Are the trip dates set in stone?**

Yes and No. Most trips have been confirmed but some have not due to the business not being open for the summer yet. It is always possible for trips to change due to transportation, staff or weather issues. We do try to stick to the schedule as much as we can.
