New Year's Eve/Day is the same. We will only have 1 day of closure, and it will be Monday, Jan. 2nd.

* When a **FEDERAL** holiday falls on a Saturday, it is usually observed on the preceding Friday. When a federal holiday falls on a Sunday, it is usually observed on the following Monday.

If a **NON-FEDERAL holiday falls on a weekend, it is not a guaranteed holiday or closing. Please talk to your director if you have questions about closings for this specific year.

Tuition is due on weeks that contain holiday closings because our amazing full-time teachers receive holiday pay.
