

**Siblings & Company**  
**Inclement Weather: Families**  
Updated: Dec 2023

Anytime we receive a good amount of winter precipitation, please check the Siblings & Company Facebook page and Lillio for any updates. Because we provide a service for working families, our centers DO NOT follow the same standards as school closings and remain open when we can. However, we take our staff and family's safety into consideration as well. If we do make the decision to close early, open late or close completely, know that it's never an easy call.

DCFS also requires us to have power to accept children.

**If we are open:** Many of our staff travel from different towns and sometimes our biggest hurdles are the snow drifts/ice. We do not want all teachers and staff to travel if not needed. We do ask that you notify us if your child will or will not be attending for staffing purposes. If your child will be attending at a later time than normal, that is helpful to share with us too.

Please alert us in 1 of the following ways:

1. Message your director on Lillio.
2. Send a Facebook message to our page.
3. If it's a last-minute decision, please call the center as soon as you can in the morning.

**If we are closed:** The announcement will be made on the Siblings & Company Facebook page and Lillio. I will likely send a SMS message on Lillio too which comes across as a text. We will do the same for early closings or delayed openings. Again, it is not common that we have to close completely, but we must take the safety of our families and staff into consideration on severe days. In the event that we are closed, regular tuition applies because our full-time teachers still receive pay.

Thank you!

Anne
